## *The Obituary*

**Milton LaMont Toussaint** was born on October 4, 1975 to parents Maria Toussaint and Milton Mixon at Detroit, Michigan's very own Hutzel Hospital in 1975. He was destined for greatness from birth and at an early age he began his quest to become rich and famous. He was

dubbed the name "Rockefeller" by his mother Maria. His journey began at age 4 as he began using his exceptional salesman skills he selling his toys, clothes, and books in order to get as much money as his small pockets could hold, so he could take care of his family. He was a family man and was determined to be the man of the house growing up, being the big brother to siblings Mindy and Micheal and oldest son in an effort to help his mom with the house. During his younger years he began to complain of chest pains and was told he had heart murmurs two words he would continue to say for the rest of his life. Also as a young teen he met many friends but will one day end up on Hogarth St. in Detroit. There he would meet his lifelong brother and best friend Anthony Couch, as well as all of the rest he would call the "206" and his brothers and friends for life. He loved them very much. Through his life of charming lady's and being a lady's man it was brought to an end when he met the apple of his eye, wife, and mother of his children TaWana Owens. No marriage is perfect but through 13yrs of marriage they managed to always be there for each other no matter what and to always love their 5 daughters and godson. He was dedicated father to all of his children. He always did what

ever he could for them. He made sure they where loved, well taken care of, and protected. They will always be Daddy's Little Girls.

He traveled a lot and ended up in California where he was known as Ticket or Detroit by his new friends because of his excellent salesmanship. During his last five years Milton fell sick and learned he had congestive heart failure. Found to be a birth defect, he was moved up and received a new lease on life, having a donor for a new heart and scheduled to receive it Sept 11<sup>th</sup>. God had another plan for his life and called him home during a peaceful sleep on September 4 2017 in Bakersfield, CA.

Preceding him in death, his grandfather Namous Toussaint Sr., his uncle Patrick Toussaint and God sister Chiquisha Bush.

Milton leaves to cherish his loving memory: his wife Tawana Owens-Toussaint; five daughters Shantonice, Shaunteria, Syriah, Sydney and Cecelia; his mother Maria Toussaint; mother in-law Ricketta Owens; brother Michael Hill III; sister Mindy Hill; brother/loyal childhood friend Anthony Couch; brother in-law Jeremiah Sherrod; two sister in-laws Tamika and Tasha Owens; a God son Lewis Couch; two God mothers Marjorie Couch and Chiquite Bush; two God brothers Tyrone and Tyress Bush; three God sisters Rose Couch, Kyra and Shanique Bush; five nieces Makayla, Jada, Chardonnay, Precious and Aubrey; a favorite nephew Emery and a host of other nieces, nephews, cousins, family and friends.

I am the resurrection and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die.  
John 11: 25-26
